

The Finch

Cottage

WIDTH	24	LENGTH	34
BEDS	03	BATHS	1.5
SQ.FT.		768	

DESCRIPTION

Like its counterpart Piper the Finch is designed with active cottage life in mind. The addition of a little porch and a change of window style creates a more traditional exterior reminiscent of "grandmas cottage"

Finch can accommodate at least 6 people easily and has an extra half bath for convenience. At home in any setting and built for year round use let the finch help you build your family memories.
